COMMUNICATION TO EXAMINER

To: Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

The above-identified patent application was filed on January 6, 2000. The last communication received from the United States Patent Office in this application was an Interview Summary which was received via hand delivery to the applicant's attorney at the conclusion of a personal interview with the Examiner on July 16, 2003. Applicant takes this opportunity to thank the Examiner for the recent telephone conversation regarding the status thereof and the Examiner's effort to provide an action in June as forecasted.

In addition, a Supplemental Information Disclosure Statement form

Serial No. 09/478,825

PTO/SB/08B is being filed herewith and pursuant to MPEP § 2001.06(c), because the parent (US 6,208,805) and one of the seven divisionals (US 5,724,472) related to the subject application are involved in litigation. Although applicant believes that the claims at issue in the litigation are not material to the patentability of the claimed invention of the subject case, this supplemental information disclosure statement is submitted in an abundance of caution. In particular, please note Nissim Corp. vs. ClearPlay, Inc., Matthew Jarman and Lee Jarman, USDC, South District of Florida, Case No. 04-21140, copy of complaint enclosed.

Respectfully submitted,

Cook, Alex, McFarron, Manzo,
Cummings & Mehler, Ltd.
